

ST PATRICK'S DAY SCAVENGER HUNT

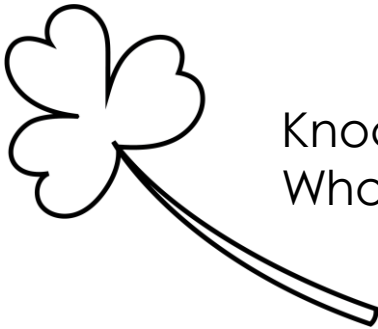

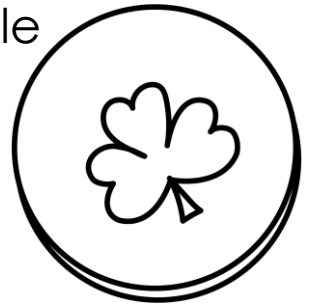

Indoor

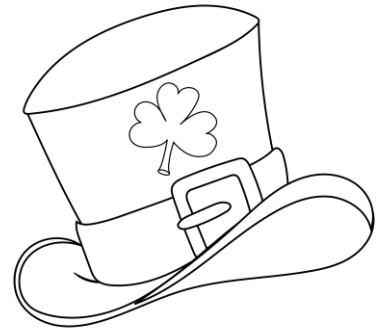

Follow the clues to find the treasure. Start by going to the place where you see your own face.

Use your feet to go as fast as possible to the place where you eat.

Knock knock
Who's there?

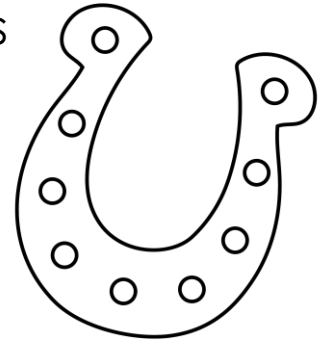

You might find more clues where you wipe your shoes.

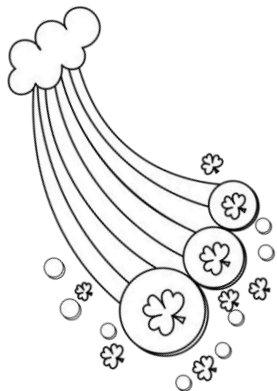

I am very cold. I am always running but I have no legs.

I have four legs but I cannot walk. When you sit at me, you use your knife and fork.

The next clue is near something that glows when you watch your shows.

Congratulations! You have found the final clue. The treasure is hidden where we keep the glue.
